A wide range of financial products from various product providers are available and are thoroughly researched by qualified research professionals including, but not limited to, Innova Asset Management, Mercer, Zenith, and Morningstar. Your Adviser is only

authorised to advise on products which are approved by Fortnum for use. Your Adviser will only recommend a product to implement your strategy after considering its suitability in relation to your individual objectives, financial situation, and needs.

### **Fortnum's advice process**

Fortnum has a comprehensive advice process in place designed to ensure that the advice provided is suited to your needs and financial circumstances. Your Authorised Representative may use this as a basis to personalise their advice process.

In summary:

#### **1. Getting to know you**

It's all about you. When you meet with your Adviser, they will discuss your expectations, help you to identify your financial goals and provide you with details of the services that they can offer. During this meeting and/or at a follow-up meeting, they may also gather information about your financial situation, needs and objectives and your risk profile and ascertain what the scope of the advice to be provided will be. Your consent and agreement on the scope of the advice will be documented via a Letter of Engagement.

If you do not wish to provide the information, they require to formulate their recommendations, your Adviser will advise you about the possible consequences of not having disclosed your full personal information and the impact on the recommendations given. You should consider these implications carefully.

#### **2. Developing strategies and providing you with advice documents**

##### **Initial advice**

Your Adviser will formulate a strategy to help achieve your needs and objectives and will put together any personal advice in a Statement of Advice (**SoA**). A SoA sets out the scope of the advice, your current personal and financial position, the basis for the advice and how it addresses your needs and objectives. It will also disclose the fees and charges payable by you and the remuneration and other benefits we may receive.

The SoA will also make reference to any potential conflicts of interest that you need to be aware of when deciding whether to rely on the advice. Your Adviser will explain any risks associated with implementing the recommendations. Please ask your Adviser to clarify any risks you do not understand.

##### **Further advice**

Where a further review is conducted or ad-hoc advice is requested from you and personal advice is provided, the advice may be provided via a new SoA or a Record of Advice (**RoA**) as applicable to the circumstances. Further advice may be in the form of a RoA where the further advice does not significantly differ from the original advice provided.

Where further advice is provided, and if you have not already been provided with a copy of the new advice document, then you may, for a period of seven years after the further advice was first provided to you, request a copy of your advice document. This can be done by contacting your Adviser in writing, by email or by telephone.

## **Product Disclosure Statement**

If your Adviser recommends a product as part of your financial strategy, they will provide you with the relevant Product Disclosure Statement (**PDS**). The purpose of a Product Disclosure Statement is to assist you in making a decision about the particular financial product. It contains information about the product's key features, benefits, risks, and fees.

### **3. Gaining your consent to proceed**

Your Adviser will discuss their recommendations with you, make any changes you require and gain your agreement to implement those recommendations. They will then implement those recommendations.

### **4. Keeping you on track**

To ensure that the advice your Adviser provides you with continues to meet your financial situation, needs, and objectives, we offer an ongoing review service which provides regular reviews and written reports on the valuation and status of your investment portfolio.

If you wish to take up this service, please contact your Adviser so they can provide more information and outline their fees.

If your Adviser recommends, and you enter into, an ongoing review service, for a period of more than 12 months:

- You will receive a Fee Disclosure Statement (FDS) each year. It will outline the fees paid and the services you received in the preceding 12 months.
- You may also receive an Opt-in Notice every two years along with your FDS. This document will ask you to confirm that you would like to continue the ongoing service review with your Adviser.

## **Instructing your Adviser**

At times, you may wish to make changes without receiving advice. In these cases, we can take your instructions by telephone, email or in person at Lifestyle Financial Services' office. You are dealing with and arrange for the transaction to be completed without us providing personal advice.

If you wish to proceed without advice from us, we will ask you to confirm your instructions in writing. Once implemented, we will provide you with a Statement of Transaction (**SoT**), which confirms your instructions, informs you that no advice has been provided and discloses any fees and charges payable by you, as well as any benefits we may receive.

## **Charging options**

The remuneration and other benefits listed below generally cover what Fortnum, your Adviser, Lifestyle Financial Services and any related parties may receive as a result of the services provided to you. Specific amounts and benefits can often only be calculated once the recommendations are made to you.

There are various ways that you may pay Fortnum for the services we provide to you, including:

- Fee for service - where you pay a fee for the services that we provide;
- Commission (paid by product and service providers) in the form of initial (up-front) and/or ongoing (trail) commission; or
- A combination of commission and fee for service.

Each of these is discussed in further detail below.

### **Fee for service**

Fee for service payments may be payable for:

- **Preparation of advice and initial advice:** We may charge fees for the preparation, presentation and/or implementation of our advice to you. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement on the fees, in the form of a Letter of Engagement, before we provide you with advice. The fee will also be disclosed to you in your advice document.
- **Ongoing adviser services:** We may charge a fee for the services provided on an ongoing basis commencing from the implementation of the recommendations contained in the advice document. The amount and the services included will be determined in consultation with your Adviser.
- **Ongoing review and advice services:** We may charge a fee to provide ongoing portfolio reviews, including further advice suitable to your needs. This fee will be determined in consultation with your Adviser and documented in an Ongoing Service Agreement.

In all instances, your Adviser will discuss the calculation of the fees when you meet and agree on the services to be provided. Fees charged are generally payable after the services have been provided, however, ongoing adviser service fees are generally paid in advance. The agreed fees may be documented in a Letter of Engagement, set out in a Statement of Advice, or in a Record of Advice.

### **How are fees for services calculated and paid?**

Fees charged for our services may be:

- a dollar amount;
- a percentage of the amount invested;
- an hourly rate; or
- a combination of some or all of the above, as agreed with you.

### **Payment of fees for services**

We will discuss and agree on the method of payment with you before we provide you with our services. Generally, we will either invoice you directly, or deduct from your investments, or adopt a combination of these methods for the fees payable. Cash transactions will not be accepted.

### **Commissions on group life insurance products**

Fortnum does not receive any initial or ongoing commission on group life insurance products held through superannuation including employer, corporate or industry superannuation plans. However, existing commission arrangements are grandfathered and will continue to be paid if the product was entered into before 1 July 2014. In instances where we advise that you retain such products, we will continue to receive any existing ongoing commissions that are payable.

In respect of all other life insurance products apart from group insurance plans held through superannuation, Fortnum may receive payments in the form of initial commissions and/or ongoing commissions from the product providers for any product you choose to use that is recommended by us. These commissions are included in the fees and/or premiums you pay for the product. You do not pay these fees to us directly. We may rebate some or all of this to you.

### **How are commissions (initial and ongoing) from a life insurance product and service provider calculated and deducted?**

Initial commission from a life insurance provider is typically up to 66% (inclusive of GST) of the first year's premium that you pay. Ongoing commission can be up to 33% (inclusive of GST) of the premium from year two onwards for the life of the policy.

The actual commission that will be received by Fortnum, Lifestyle Financial Services v2.0, and your Adviser will be disclosed to you in your Statement of Advice, Statement of Transaction or Record of Advice.

#### **Example**

If you pay \$1,000 p.a. in premium for a life insurance product recommended to you and the applicable initial commission is 60%, then Fortnum will receive initial commission of \$600 (i.e. \$1,000 x 60%). Fortnum may then pass on anywhere up to the full amount, \$600 in this example, to the Principal Practice.

### **Commissions on investment products**

Generally, Fortnum does not receive initial or ongoing commissions in respect of investment products. However, there are some products which continue to pay commissions where the product was entered into before 1 July 2014. In instances where we advise that you retain such products, we will continue to receive any existing ongoing commission that is payable.

All remuneration percentage rates paid from the product and service provider are dependent upon the specific products you hold and are inclusive of GST where applicable. Specific details of the commission paid from the product and service provider will be fully disclosed in your advice document.

### **Client Fees**

Fortnum may receive payments from the trustee of a superannuation fund, with which it has entered into a Member Services Agreement, in respect of the services provided to you on behalf of the trustee. This payment is paid periodically, and Fortnum may pay a proportion of this to Lifestyle Financial Services as detailed under the heading 'Remuneration received by Principal Practices'. Any member servicing payments that are received is not an additional cost to you.

Fortnum receives (on behalf of Lifestyle Financial Services) fees outside of the arrangements listed above. These fees relate to arrangements with employers and grandfathered corporate superannuation fees and commissions.

Under such agreements, our advice is restricted to providing general advice or factual information only.

Where we receive a request for additional corporate services, outside the scope of any existing Member Services Agreement with a Superannuation Fund Trustee, we may enter into a fee for service arrangement. Any arrangement will be agreed in writing before the provision of these additional services.

#### **Other forms of remuneration or benefits**

Fortnum, your Principal Practice and/or Adviser may be entitled to other benefits when providing services to you. Fortnum, your Principal Practice and Adviser keep registers of small value benefits (i.e. \$100 to \$300 in value) which may be received by them from product and service providers. These benefits are permissible unless they are received frequently or when similar benefits received combine to exceed \$300 per annum. If you would like a copy of the register, please ask your Adviser and it will be made available to you within seven days.

If your Adviser is an accountant who is subject to the Accounting Professional and Ethical Standards, under APES 230, all benefits received, regardless of value, will be recorded on their register.

#### **Payments from product and service providers**

Fortnum receives payments from a number of product and service providers of up to 0.40% (inclusive of GST) per annum of amounts invested with the relevant providers before 01 July 2014. Of the amount received, your Principal Practices receives 100% and Fortnum retains 0%.

As at the date of this FSG, Fortnum receives payments from the following product and service providers: OnePath, BT, Colonial First State, MLC/Navigator, and IOOF.

#### **Professional Indemnity Insurance**

Fortnum is covered by Professional Indemnity insurance satisfying the requirements under section 912B of the Corporations Act (2001) relating to insurance obligations.
